*Women in German Yearbook* presents a wide range of feminist approaches to all aspects of German literature, culture, and language, including pedagogy. Reflecting the interdisciplinary perspectives that inform feminist German studies, each issue contains critical inquiries employing gender and other analytical categories to examine the work, history, life, literature, and arts of the German-speaking world.

It is the official journal of the Coalition of Women in German. Members receive the journal as a benefit of membership. For more information, visit [womeningerman.org](http://womeningerman.org).
